

Ryan Gatchel
ryan@blueblackdigital.com
(480) 360-4462

Solving problems and learning are two of the reasons I enjoy web development. I have been learning and developing my skills for years, starting as a developer for a small business. I am now looking for a stable, innovative company to join where I can directly contribute and continue to learn new skills.

Work Experience

Front End Developer

PatientNow - Englewood, CO
October 2022 to January 2024

- Interacting with clients to get feedback on their website.
- Making updates on WordPress using Elementor.
